

# TRINITY TIMES

February 2023 Newsletter

During January the children began learning a money poem all about coins. Also, they learned letters O, P, Q, R, and S. The children did many coloring sheets and completed some winter and Bible themed art projects. We have been working on our months of the year song too.

The kids are learning their numbers, colors and shapes. They worked hard on their cutting skills, sight words, and we counted many things. Some things we counted were our movements, blocks, and banana bucks.

Our new Pastor resumed weekly Chapel visits, and the students are eagerly easing Pastor Johnston into his new job. The students had the opportunity to help with a special fundraiser for Trinity Lutheran Church. They were able to decorate special fundraising envelopes by coloring them.

In January, we celebrated Sloane's birthday. She brought in some delicious treats. If there is anyone wanting to celebrate a summer birthday, please reach out to me. We would love to accommodate your child.

## January Sight Words

Three    The    Two    They    Ran  
Red    Ten    To    Says    That

In January we opened preschool enrollment to our preschool family. We already have a few enrolled for the 2023 - 2024 school year. Please get in your registration paperwork as soon as possible. If you plan to come back and haven't sent in your registration, please just reach out and let us know your plans. We want to ensure that you are able to have first choice because our class size is limited to 12 students per class. Sometimes we have a waiting list. We are already planning for next school year. Knowing how many students to plan for and who they are, makes it so much easier for the staff. We hope to see many of you again.

February is when our preschool registration goes public. So ads will soon be running in the paper and a mailing will go out to Trinity's congregation. If you have any questions, please feel free to call the church office at 824-8148 or Mrs. Books at 827-2890.

We celebrate Valentine's Day this month! We will be having our class parties on February 14<sup>th</sup> and 15<sup>th</sup>. These parties are **just for the class**. If your student would like to bring Valentines to exchange with his/her classmates, please make sure that you have one for every student. Students will NOT need to bring in a decorated box/bag. A class list is attached, but students need only sign their name to their cards as this makes passing out the cards much faster and easier. Please **do not** mark them to individual students. We currently have eight students enrolled in the Tues/Thurs. class and four students in the Mon/Wed/Fri. class.

Arrival/dismissal procedure seems to be going great. It just makes things smoother with the drive through method. The doors will open at 8:30 a.m. and again at 11:00 a.m. If for any reason you need to get in the building, you will need to use the circle drive to gain access unless you call the teacher direct. If you ever need to pick your child up early for any reason, we will be glad to make arrangements.

Trinity Lutheran Child Care Plus currently has some openings. If you are in need of daycare for your child. please contact them at 287-2229.
